

Inmate Phone cards and Texting Devices

Inmates will be issued one (1) initial free phone card once their booking process is completed. This will allow them 4 minutes of local or 8 minutes of state-to-state calling. After their initial phone call, they will be responsible to complete any further/future personal phone calls. Phone cards can be purchased through the link below.

Texting devices are also available. The inmate will have three (3) days to have is account funded. If their account cannot be funded within three (3) days, it will be returned to facility staff.

Funding and fees:

- ✓ The monthly fee for the device and service is \$4.00. The fee will be deducted automatically each month the inmate has a device assigned.
- ✓ Outbound/Sent messages are limited to 160 characters each and cost \$0.09.
- ✓ Inbound/Received messages are limited to 160 characters each and cost \$0.09.
- ✓ Long messages exceeding 160 characters are split and billed as individual messages.
- ✓ Support messages sent cost \$0.09 and received support messages are free.

Texting device accounts can be purchased through the link below.
