

Mission Statement and Overview

Mission Statement:

The Mower County Jail is a division of the Mower County Sheriff's Office under the responsibility and control of the Mower County Sheriff and Jail Administrator.

It is the mission of the Mower County Jail to protect the public while providing a safe, secure, and well-managed environment for jail staff, inmates, and visitors.

These goals shall be attained through effective management of policy and procedure, quality staff training, inmate accountability and a facility maintenance program, all performed in a cost effective and professional manner.

It is also the facility's mission to provide those incarcerated with education, behavior management and various program opportunities designed to improve their ability to return as productive members of society.

Overview:

The Mower County Jail was opened in 2010, replacing an outdated facility. It houses pre-trial and sentenced adult male and female inmates. The facility is currently approved to house 128 inmates.
