ASSUMPTION OF RISK ASSESSMENT**

(1) Name _____

(2) Parcel Number _____ (3) Legal Description _____

The area in which you propose to build a dwelling is located in or near property, which is used or zoned for agricultural purposes. This means that land, which you are about to purchase or upon which you intend to erect a dwelling, is located in an area where land is used for the purpose of raising livestock, raising crops, producing agricultural commodities, and various other agricultural purposes. You are likely to be exposed to odors, sights, chemicals, noises, conditions, and activities, which are prevalent in the agricultural zone. Such things include, but are not limited to:

- (1) Odors associated with animal excrement and waste;
- (2) The sight, sound and odor of tractors, grain dryers, agricultural equipment and machinery operating at any time of the day, including night;
- (3) The use of herbicides, pesticides, and other chemicals for agricultural purposes;
- (4) The sight and sound of sheep, pigs, cattle, horses, and other livestock;
- (5) The sight, sound and odor of manure or other waste products being spread on or injected into nearby fields;
- (6) Slow moving vehicles on roadways, including tractors, combines and other heavy equipment;
- (7) Cattle or other livestock getting loose from their pens of fields and possibly entering upon your land;
- (8) Mud, manure, fertilizer, grain and other agricultural products on roadways as a result of said agricultural equipment moving down those roadways; and
- (9) Barbed wire, fence lines, and other agricultural structures that need to be maintained.
