Mower County Health & Human Services

This letter is to notify you that the Department of Children, Youth and Families has amended your 2024 – 2025 County and Tribal Child Care Fund Plan. This amendment is needed to reflect that the Department of Children, Youth and Families will now centralize provider registration for the Child Care Assistance Program. This includes registering child care providers, renewing provider registrations and making changes to provider registrations.

If you post your Child Care Fund Plan on your agency website, this letter must be posted with the approved plan. If you do not post your approved plan, include a copy of this letter when your plan is requested. Update your agency's policies and procedures to reflect this amendment.
